Read & Write Gold – Lab Availability

Read & Write Gold is installed in several College labs across campus. Check at your College lab or laptop checkout program for availability. Participating labs are found in:

- Engineering
- Health & Human Sciences
- Morgan Library
- Natural Sciences
- Vet Med & Biomedical Sciences (A202)

Other Locations by Request

- ✓ Software and hardware can also be made available in other locations (e.g. a college lab), based on student need.
- ✓ Please contact the ATRC at 970-491-6258 or atrc@colostate.edu if you have a need that is not met by the locations listed above.

AT Software for Your Home Computer

Licenses Available for Student Take-Home Use

Contact your ATRC Service Provider about installing Read & Write Gold or Kurzweil 3000 on your home computer. Both Mac and PC versions are available. Some restrictions apply:

- ✓ Hardware must meet minimum requirements.
- ✓ Microsoft Office and Adobe Reader must be installed before you bring your computer to us (both Mac and PC). Other software such as Open Office is not guaranteed to be compatible.
 - Students can now install Microsoft Office through CSU licensing. Instructions are at [Office 365 for Students \(http://www.acns.colostate.edu/O365\)](http://www.acns.colostate.edu/O365).
 - Adobe Reader is free to download from [Adobe's website \(http://get.adobe.com/reader/\)](http://get.adobe.com/reader/).
- ✓ ATRC Software must be uninstalled when you are no longer an active student at CSU.
