**Position:** Research Associate I – Open Pool

**Employment Type:** Administrative Professional

**Location:** Department of Health and Exercise Science at Colorado State University, Fort Collins, CO.

**Qualifications:** The Department of Health and Exercise Science seeks applications throughout the year from individuals who are interested in obtaining a temporary (i.e., time-limited) research position within the department. Applicants applying for this position must hold a minimum of a Bachelors degree in an appropriate discipline. For basic science research positions, experience with basic biochemistry, molecular biology, and cell culture techniques preferred. For human research positions, experience with graded exercise testing and background in human physiology and/or biomechanics preferred. Other research experience with data collection and analysis, familiarity with Word, Excel, Powerpoint, and a statistical software package highly favored. Consistent with departmental and institutional values, candidates are expected to have the ability to advance the Department's commitment to diversity and inclusion.

**Responsibilities:** This position includes interaction with the Principal Investigator as well as other research assistants. The individual will be part of a team of researchers completing a federally funded research project and will have a broad range of responsibilities including but not limited to:

1. General lab organization and ordering of supplies.
3. Recruitment, screening, and testing of human volunteers ranging from 18-95 years of age.
4. Exercise testing and training of human volunteers.
5. Physiological data collection and subsequent analysis using custom computer programs.
6. Data entry and management of electronic data records.
7. Statistical analysis.
8. Training other lab personnel in data collection and analysis.
9. Supervision of the activities of undergraduate and graduate student research assistants.
10. Physiological experiments with animals.
11. Handling of laboratory animals and tissue/blood samples.

**Application Deadline:** 06-30-2015

**To Apply:** Interested applicants should electronically submit a cover letter stating interest in employment, a current resume/curriculum vita, a statement of research experience, and the names and contact information for three references to Bret Ellis at bret.ellis@colostate.edu. This pool is valid through June 30, 2015, at which time applicants wishing to remain in the pool must reapply.

Colorado State University does not discriminate on the basis of race, age, color, religion, national origin or ancestry, sex, gender, disability, veteran status, genetic information, sexual orientation, or gender identity or expression. Colorado State University is an equal opportunity/equal access/affirmative action employer fully committed to achieving a diverse workforce and complies with all Federal and Colorado State laws, regulations, and executive orders regarding non-discrimination and affirmative action.
