FOOD SCIENCE AND HUMAN NUTRITION  
COLORADO STATE UNIVERSITY

On behalf of the Department of Food Science and Human Nutrition I want to thank you for your support of various programs within the department. This is our first annual Donor Newsletter. The newsletter will provide some examples of how your support has helped students, faculty, staff, and programs. I hope you enjoy it.

Mike Pagliassotti, Department Head

## Graduate student scholarships thanks to you!

**Megan Cooney**  
Nutrition Specialization

**Savannah Hobbs**  
Nutrition Specialization

**Jessica Hill**  
Nutrition Specialization

**Nicole Litwin**  
Nutrition Specialization

**Kirsten Lackey**  
Nutrition Specialization

**Caitlin Clark**  
Food Science Specialization

## Facilities and Infrastructure:

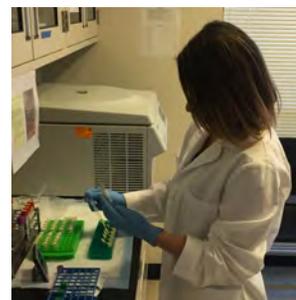

The Fermentation Science and Technology Program has state-of-the-art facilities, industry instructors and a growing program thanks to you.

The Kendall Reagan Nutrition Center has acquired additional space in the Health and Medical Center, and increased programming for CSU faculty, staff, students and the community thanks to you.

Our dietetics, nutrition and food science students have state-of-the-art learning laboratories thanks to you.
