

BRIGETTE THOMAS

CITRUS & SUN

LOCATION: Irvine, CA

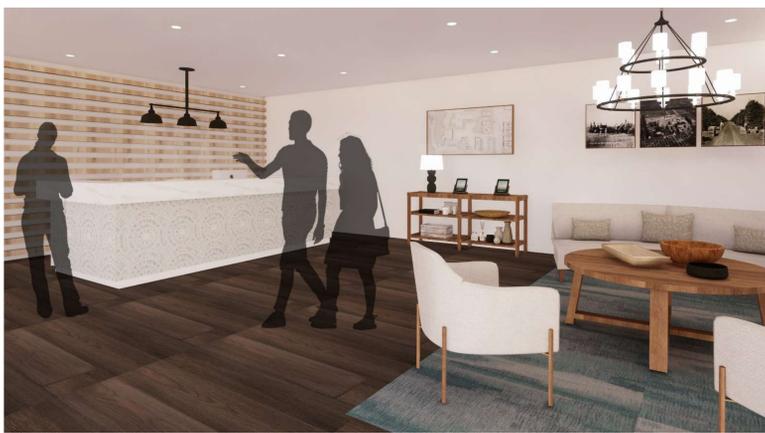

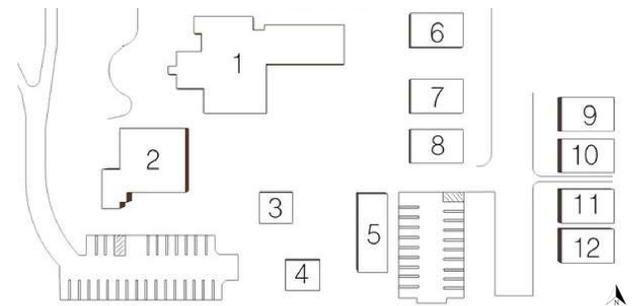

Citrus & Sun is a marketplace focused on providing individuals with a place to workout, shop, socialize, and eat, while promoting an active lifestyle and encouraging community involvement and inclusivity. The marketplace is located on land that is a historic landmark to the city of Irvine and the county of Orange. Its design preserves the historic architecture and site, while allowing contemporary uses. The marketplace is comprised of both indoor and outdoor spaces, including a fitness center, a restaurant and bar, retail pop up shops, seasonal event spaces, and a cafe and workstations. Citrus & Sun's mission is to promote growth, health, nourishment, support, positivity, connection, and wellness. Its design takes a twist on the classic California ranch style by focusing on clean, contemporary, and biophilic elements.

The marketplace is located on a historical landmark called Irvine Ranch Historical Park. The site was originally owned by generations of the Irvine Family who were pioneers of California agriculture. The site sits on 16.5 acres that once was the agricultural headquarters for the Irvine Ranch. The primary agricultural production was citrus and other fruit trees.

Citrus & Sun Marketplace is located in Orange County, California. Known for its warm weather and great beaches, Orange County is always busy with visitors. Outdoor activities are popular among residents of Orange County and contribute to the overall active lifestyle that can be found in Southern California.

Citrus & Sun's interiors offer neutral tones while incorporating brighter colors as accents. The use of tile is continuous throughout Citrus & Sun to bring color and liveliness into the space, while keeping true to the California ranch style. A blend of dark, medium, and light shades of wood help add dimension, texture, and natural elements to the spaces. Light shades of stone are used to balance darker tones and brighten interiors.
