THE BREEZE

LOS ANGELES, CALIFORNIA

"LIFE'S A BREEZE WHILE AT THE BREEZE"

The Breeze Resort, a wellness rejuvenation center located in Los Angeles, California, will bestow upon guests a unique experience that aims to restore balance and tranquility within one's mental health. The resort will be a mixed-use occupancy due to the variety of spaces it will host. Such spaces include a wellness spa for guests to kick back and reboot, a public cafe on the first floor, yoga and gym spaces, an indoor hot tub, and plenty of outdoor and indoor lounge space. Those who seek a visit to the Breeze are likely itching for a vacation away from everyday life and have a sense of urgency to become refreshed in a peaceful and meditative environment.
