**CROM CASTLE  
GOLF CLUB**

LOCATION: *Enniskillen, UK*

*Located Northern Ireland, a country rooted in its history, Crom Castle Golf Club aims to evoke a sense of prestige and luxury amongst its members and employees by paying tribute to the traditional nature of the golf industry. The club's progressive values influenced design decisions to form a facility for all ages and genders to enjoy. While keeping the clubhouse a single entity, it is designed to function both socially and athletically year round. Driving the overall aesthetic of the clubhouse and it's supporting facilities, the design harnesses the foundations of the golf industry in order to provide a sense of the "old" intertwined with the "new", a unique and timeless feature which appeals to all members of the golf industry.*
