Ces Trois

LOCATION: Columbia, South Carolina

Ces Trois is a southern farmhouse family owned hotel that places its ideals around family and community. It is inspired by 1 Corinthians 13:13 "And now these three things remain: faith, hope, and love. But the greatest of these is love." With this emerged the symbolism of the triangle. Three points for each ideal and because a triangle is the strongest structural element, it represents that together we are stronger. Ces Trois holds rich history as it is a national historical landmark. With the new restoration, Ces Trois will include over 200 rooms, a bakery, full wedding venue, luxury spa, banquet hall, and more. The third floor offers access to the 130 year old Cupola that overlooks the city. As the original buildings history still remains, Ces Trois opens its doors to everyone to help write its new story.
