# Flourish Elementary

LOCATION: Augusta, Georgia

Flourish Elementary lives up to its name in its potential to offer students, staff, and faculty the opportunity to flourish. Unique spaces, featuring natural colors and materials, room to move, and opportunities for sensory experience, make Flourish a pleasant place to be. These opportunities are open to all users, with a design focus on accessibility. Student-centered spaces, such as the therapy pool, life-skills room, and sensory room, provide every student a place to plant their roots and grow.
