LOCATION: 840 Diamond Valley Pky

Welcome to Traverse Christian Church, a place where the community comes together to follow Christ and disciple all. Based in Windsor, Colorado, Traverse wishes to build a community of believers to minister throughout northern Colorado. This church building strengthens that goal with a community-centered design that brings everyone together.

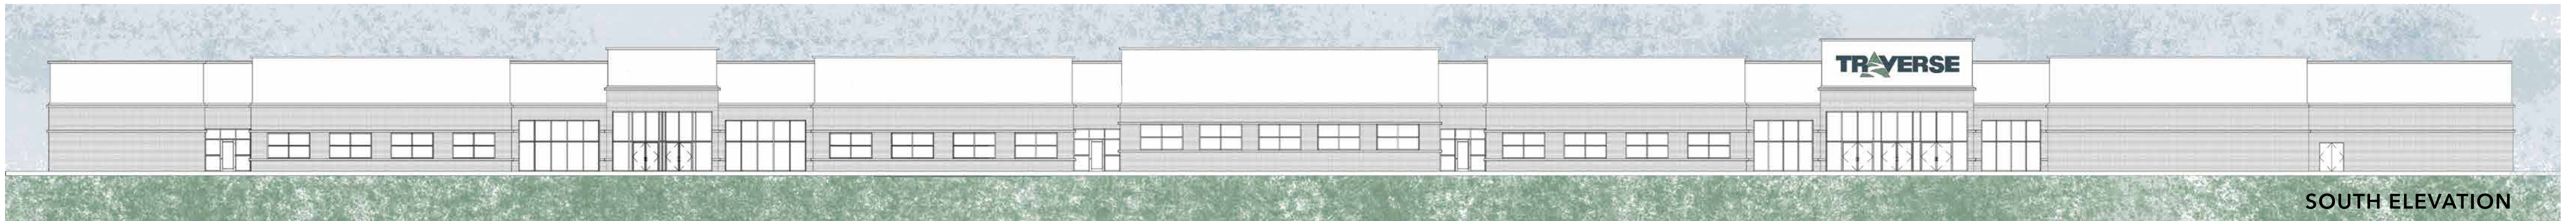

This building is inspired by the church mission, to cross-over into a life with Christ, and the Colorado mountains. Just as you meet one milestone at a time when you hike, this church will include milestones and separations between areas within the building. The building also includes office and warehouse space for the Church's partner, Serve 6.8.
