

Bella Zambole

The Monocle Hotel

LOCATION: Murano, Italy

The Monocle is a hotel in Murano, Italy that is meant to make the user feel less like a tourist and more like a community member.

It is inspired by traditional Italian architecture and is filled with arch ways and neutral tones. It is exploding with texture as well as the history of Murano itself. Hand made Murano glass is found throughout the entire building including the glass shop which displays the history of Murano glass. Il Monocolo is written across the sign in the reception which translates to The Monocle in Italian
