

During Fall 2025 & Spring 2026 Teachers, Parents, & Children in the Study Will ...

Day 1 (Weekday)

Parents & Teachers complete 20-minute survey.

Children complete short assessments (20-minutes) that ask children about letters and numbers independently with researchers at their school.

Day 2 (Weekday)

Parents prepare a weekday of audio recording by placing the LENA recorder inside the vest and the vest on their child.

Children wear LENA for the whole day at school and at home.

Parents & Teacher report any issues with recording.

Day 3 (Weekend)

Parents prepare a weekday of audio recording by placing the LENA recorder inside the vest and the vest on their child.

Children wear LENA for the whole day wherever they go.

Parents & Teacher report any issues with recording.

Day 4 (Weekday)

Parents (\$80) & **Teachers** (\$30) are compensated.

Researcher securely processes and stores data.

Researchers clean vests and prepare for next family drop-off.
